COKMAR | THE MACE

Cokmar Universiti Putra Malaysia sebagai lambang kuasa Universiti dianugerahkan dengan limpah kurnia Duli Yang Maha Mulia (DYMM) Seri Paduka Baginda Yang di-Pertuan Agong pada 30 Julai 1977, bersempena pelantikan Canselor yang pertama, DYMM Sultan Salahuddin Abdul Aziz Shah Alhaj Ibni Almarhum Sultan Hisamuddin Alam Shah Alhaj, D.K., D.M.N., S.P.M.S., D.K. (Brunei), D.K. (Johor), S.P.D.K. (Sabah), D.P. (Sarawak), D.U.N.M. (Melaka), P.J.K. Cokmar ini diperbuat daripada emas dan perak, panjangnya 1.4 meter dan beratnya 8 kilogram. Ia dibahagikan kepada tiga bahagian, iaitu obor, batil dan turus.

The Universiti Putra Malaysia's (UPM) mace, a symbol of the University's authority, was bestowed by His Majesty the Yang Dipertuan Agong on 30 July 1977, in conjunction with the installation of UPM's first Chancellor, His Royal Highness Sultan Salahuddin Abdul Aziz Shah Ibni Al-Marhum Sultan Hishamuddin Alam Shah Al-Haj, D.K., D.M.N., S.P.M.S., D.K. (Brunei), D.K. (Terengganu), D.K. (Kelantan), D.K. (Perlis), D.K. (Johor), S.P.D.K. (Sabah), D.P. (Sarawak), D.U.N.M. (Melaka), P.J.K. The mace, made of gold and silver, measures 1.4 metres in length and weighs 8 kilogrammes. It comprises three parts:

OBOR | THE TORCH

Obor melambangkan peranan Universiti ini sebagai penyuluh ilmu pengetahuan. Di pangkal obor ini dikelilingi oleh kalimah Bismillahirrahmanirrahim yang menunjukkan bahawa semua pekerjaan yang dilakukan untuk mendapatkan ilmu pengetahuan adalah dengan keizinan Allah SWT. Di bawahnya terukir huruf rumi nama "Universiti Pertanian Malaysia".

The torch represents the role of the university as a source of knowledge, while its base is surrounded by the verse, 'Bismillahirrahmanirrahim', which indicates that all activities in gaining knowledge are only possible and achievable with the blessing of Allah SWT. Below the verse is an inscribed carving of UPM's former name, 'Universiti Pertanian Malaysia', in Roman alphabets.

BATIL | THE BOWL

Batil melambangkan tempat terkandungnya ilmu pengetahuan. Di bahagian atas batil ini terukir lencana Persekutuan dan negeri di Malaysia. Di sekeliling batil ini terukir lencana Malaysia, bunga raya dan lencana Universiti Putra Malaysia sebagai tempat wujudnya ilmu pengetahuan itu di negara ini. Batil ini dialas oleh kelopak bunga yang terukir dengan bunga padi. Kelopak bunga ini pula terletak pada lima buah buku yang terbuka menunjukkan bahawa ilmu pengetahuan di Universiti ini boleh dituntut dan diperoleh setiap rakyat. Lima buah buku melambangkan lima prinsip Rukun Negara yang menjadi asas pembangunan dan perkembangan Universiti. Pada halaman buku yang terbuka itu terukir Masjid Negara, tengkolok Diraja, sebilah keris dan lencana Persekutuan, bangunan Parlimen, hakim sedang berbicara di dalam mahkamah, neraca keadilan dan buku undang-undang, *Jalur Gemilang* dan empat bangsa terbesar di Malaysia.

The bowl-shaped container symbolises the repository of knowledge. The top part of the bowl is carved with emblems of the Federation and all the states in Malaysia. The emblem of Malaysia, the hibiscus and the UPM logo are carved around the bowl, representing the existence of the knowledge repository. The base of the bowl is carved with paddy flowers. The flower petals are placed on five open books, which represent the pursuit of knowledge at this University. The five books symbolise the Rukun Negara five principles upon which the development and extension of the University are based. The book covers are carved with the images of the National Mosque, Royal Headdress, the Keris and Federal emblem, the Parliament, a judge in session, a justice scale, a law book, the *Jalur Gemilang* and the four major race groups of Malaysia.

TURUS | THE SHAFT

Turus mengandungi tiga bahagian yang melambangkan tiga fungsi utama Universiti, iaitu menyampaikan pengajaran, menjalankan penyelidikan dan memberi khidmat pengembangan kepada masyarakat. Ukiran gambar di setiap bahagian mencerminkan peranan fungsi tersebut. Turus ini dikelilingi oleh daun lontar yang melambangkan aspek karya penulisan. Turus ini terletak di atas perdu yang terukir dengan lima lambang yang menggambarkan aspek kebudayaan Malaysia, iaitu tentang agama Islam, cara hidup, pendidikan, alat muzik tradisional dan alat permainan tradisional. Umbi yang terletak di bawah perdu terukir dengan garisan kecil di tengah melambangkan wawasan Universiti yang sentiasa ke hadapan.

The shaft consists of three parts which symbolise the university's three main functions. Carved motifs on each part reflect those functions, that are: teaching delivery, conduct of research and extension services to community. This shaft is surrounded by 'lontar' leaves which symbolise aspects of writing. The pillar, placed on a shrub is carved with five symbols that represent aspects related to the culture of the nation: the Islam religion, lifestyle, education, traditional musical instruments, and the equipment of traditional games. Its base, together with the carved thin lines, represents the university's continually forward-looking vision.

LOGO UNIVERSITI

THE UNIVERSITY LOGO

Logo UPM yang ringkas melambangkan tradisi, falsafah dan visi baharu universiti. Asas logo terbina daripada bentuk perisai yang secara tradisinya melambangkan prinsip, kemantapan dan penjagaan martabat ilmu untuk kebahagiaan dan kesejahteraan sejagat. Bentuk titisan air merupakan simbolik kepada komitmen universiti untuk memelihara alam sekitar. Air juga adalah sebagai asas kehidupan sebagaimana juga ilmu adalah sebagai asas untuk mencapai kemajuan manusia. Garisan kecil di tengah melambangkan wawasan Universiti yang sentiasa ke hadapan.

Tiga garisan di kiri dan di kanan ialah simbol dahan yang melambangkan kepentingan pertanian dalam kelangsungan kehidupan dan kemakmuran manusia yang merupakan tumpuan dan kekuatan UPM. Tiga garisan itu juga membawa maksud tiga fungsi utama UPM iaitu pengajaran, penyelidikan dan perkhidmatan. Buku yang berada di sebelah atas melambangkan keunggulan universiti sebagai gapura yang menjunjung, menjana dan meneroka ilmu untuk kebahagiaan dan kesejahteraan sejagat.

Warna merah melambangkan dinamisme kepada tradisi perjuangan ilmu dan juga semangat perintis, keberanian dan ketahanan menghadapi cabaran. Warna putih melambangkan keikhlasan dan ketelusan. Warna kelabu melambangkan keneutralan, keluwesan dan ketekalan. Kombinasi warna merah, kelabu dan putih bermaksud keharmonian, kestabilan, keceriaan, kematangan dan dinamisme. Konsep bentuk perisai ini diperkukuhkan lagi dengan akronim 'UPM' yang menjadi singkatan kepada Universiti Putra Malaysia.

UPM logo is simple, yet eloquent. It embodies the tradition, philosophy and the new vision of the university. The design of the logo is based on the shape of a shield, which symbolises strong principles, stability and preservation of knowledge for universal happiness and the good of mankind. The water droplet symbolises the commitment of the university in preserving the environment. Water is also fundamental in life as is knowledge in human development. The thin lines represent the continually forward-looking vision of the university.

The three lines on the left and right symbolise branches that represent the importance of agriculture for life continuity and human prosperity, which is the focus and strength of UPM. These lines also represent the three main functions of UPM, which are teaching, research and services. The book, positioned on the top part of the logo represents the University's excellence as a gateway which upholds, generates and explores knowledge for universal happiness and prosperity.

The red colour symbolises the quest for knowledge. It also symbolises the pioneering spirit, courage and persistence in confronting challenges. The white colour symbolises sincerity and transparency. The grey colour symbolises neutrality, flexibility and consistency. The combination of the red, grey and white colours represents harmony, stability, joy, maturity and dynamism. The shield concept is reinforced by the acronym 'UPM', which is an abbreviation of Universiti Putra Malaysia.
